

Nightfall

Nightfall

Nightfall has a soft humble form reduced to a pair of visible shapes suspended in the air with a simple cord. It combines two variations of a pendant light, an aluminum shade and a glass globe, for a strong graphic form. As such it provides both soft ambient light and direct illumination for use over a table or for general lighting.

aluminum shade, glass globe

Ø13.5" x 6.5"

Ø34.5 x 16.5 cm

NFLT01 terra cotta

NFLT02 blue

NFLT03 white

NFLT04 black
