

Stick Hook

Design by Jonas Wagell

Stick Hook by Jonas Wagell

Stick is a minimalistic interpretation on the archetype of a hook, with an oversized and playful expression. The reduced form is based on the shape of a wood stick cut in half. The simplistic expression is emphasized with a concealed wall fixture bracket.

About From the Bay

From the Bay originates from a desire to make contemporary, unique furniture and design objects available for wide use. We combine 30 years of experience in product development and manufacturing with a passion for enduring materials and craftsmanship. Our work is to create dependable furniture, lighting and accessories for everyday use.

About Jonas Wagell

Jonas Wagell is a Swedish architect and designer based in Stockholm. The studio JWDA was founded in 2008 and the work today is focused on product and furniture design for Scandinavian and renown international clients. Jonas Wagell has designed and directed the first collection of products for From the Bay.
